Batesville, Indiana School District Chooses Morse Communications, Inc. and Alcatel-Lucent

Melbourne, FL, April 16th, 2010 - Morse Communications Inc., delivering IP networking solutions from [Alcatel-Lucent](#), was chosen by the [Batesville, Indiana School District](#) to overhaul the Batesville Schools data network in support of their technology strategies. Morse Communications, Inc. replaced the IP switching network with the Alcatel-Lucent OmniSwitch 6850 10 GIG fiber concentrator and the OmniSwitch 6400 delivering 1GIG and Power over Ethernet to the desktop.

"Morse was pleased to be able to gain the trust of Batesville School District with the replacement and deployment of a mission critical education network" says Bryan May, Director of sales and marketing for Morse Communications, Inc. "We are continuing our partnership with Batesville Schools by supporting their K-12 Technology Fair and further securing their network with the Fortigate security appliance" "Morse is looking forward to a long partnership with the Batesville School District"

Morse Communications is an education focused organization supporting many small and large school districts around the country. Morse continues to develop custom education solutions such as; Safe Campus solutions, parent notification solution and school lockdown solutions.

"The Morse implementation team was fantastic and the support from Morse and Alcatel-Lucent is excellent" says Mike Weiler, LAN Administrator & interim Director of Technology for BCSC. "The Alcatel-Lucent product is rock solid and we have had no issues since implementation"

[About Batesville School District](#)

The success of Batesville Public Schools is directly connected to our deep appreciation for diversity, the engagement of our parents and community, and the dedication, commitment, and talent of all employees. Our students have unlimited potential and we respect their unique learning styles and interests. Each school provides a challenging curriculum, skilled instruction, and a learning environment that reflects student interest as well as academic needs. Our future rests in the hands of our children; their education is our greatest responsibility.
